Hello, I am Stacey.

I am emailing you regarding your products that I have just seen on Amazon.com. I was wondering if you work with **food bloggers in exchange for product samples?**

Unlike many food blogs we work in exchange for samples **ONLY** and don't expect monetary compensation. Just product samples to **our home address in Portugal** and then we will do the rest. We also have a strong US audience that loves the products we recommend on Amazon.com.

We have lots of different features planned for 2019 and beyond including gift guides, giveaways, reviews and much more. As well as looking for useful products to link to in existing content.

The RT brand gets an average **2 million+ page views a month** and has 100,000+ followers between social media, a FB group and our mailing lists. Partnering together will benefit both parties since Recipe This is all about food and our readers LOVE to read about the products we like.

Thank you for your time and I'm looking forward to hearing from you if this is of interest to you.

You can email the owners direct of RT at samantha@recipethis.co.uk or I am more than happy to forward your response to them.

Emerson Creek Pottery We had sent out an email to all our fans stating if they couldn't make it to Virginia that we would offer 20% off on any online order that weekend. If you didn't receive the email I'll extend the discount to you if you would like. Just let me know.

Emerson Creek Pottery Did you know that we have a very large sister store in Oswego, Ill, in the farm lands just outside of Chicago? It even has a Tea Room where you can stop and take a rest from shopping and eat. I give it two thumbs up on the food. Their facebook page over there is Emerson Creek Pottery and Tea Room. If you would like to call for directions the number is 630-554-7100.

 **Sounds Abound Entertainment** March 11, 2017 • 

Casey and CJ had Gary Hipperson as the DJ for their wedding reception at Emerson Creek Pottery on October 28, 2016:

We would like to thank Sounds Abound and Gary Hipperson for helping make our day perfect. Gary was a pleasure to work with. I would absolutely recommend him to anyone looking for a DJ. We chose a few must-have songs and let Gary do the rest, and we were not disappointed. He kept the atmosphere light and fun. Our dance floor was packed all night long. Thank you so much for helping make our day perfect.

Hi. My name is Mike Ryan. We recently assisted another business, who like Emerson Creek Pottery, they also provide services to the Oswego area communities.

I'm following up on information we sent in the mail to you, and others in the Oswego area, about our unsecured FUNDING programs

Even with the impact of the COVID Virus, we are able to help most "essential" businesses now - with the goal of being in the position to assist all business as life returns to normal in the near future.

Please call me at 615-669-0298 and within a few minutes I can describe our programs. If there is someone else I should talk to, it would be my pleasure to explain what we do in more detail.

As we are a smaller family owned company we make every attempt to be a responsible marketer and put our direct phone number on every piece of marketing we send. If you would like not to receive information sent in the US Mail or followup emails please CLICK HERE or call me right now at 615-669-0298

Thank you for your time!

Mike Ryan
Delta Partners Funding LLC
615-669-0298

FYI: We NEVER make sales phone calls.
